

**CITY OF AUBURN  
STATE OF CALIFORNIA**

**NOTICE TO CONTRACTORS**

NOTICE IS GIVEN that the City of Auburn will receive bids for the furnishing of all labor, materials, transportation and services necessary for the construction and completion of:

**Auburn Oaks Pump Station Upgrade Project**

1. Each bid must be in accordance with the provisions of the contract documents now on file with the City of Auburn, Auburn, California, which contract documents are incorporated herein by reference and made a part hereof. Copies of the Plans, Specifications, and proposal forms for bidding this project can be reviewed and obtained at ARC/ Norcal (formerly Brownie's Digital Imaging), 115 Ascot Drive #180, Roseville, CA 95661, ph. (916) 782-8000 or by visiting their website at [https://order.e-arc.com/arcEOC/PWELL\\_PublicList.asp?mem=23](https://order.e-arc.com/arcEOC/PWELL_PublicList.asp?mem=23).
2. For information concerning the proposed work, contact Carie Huff, P.E., Department of Public Works at (530) 823-4211.
3. The Bids will be received until **3:00 on June 19<sup>th</sup>, 2012** at the office of the City Clerk, 1225 Lincoln Way, Room #8, at which time bids will be opened. No phones are available at the City offices for use by the bidders. The wall clock in the City Clerks Office will be the final determination of the time. Late submittals will be returned to bidder unopened.
4. Contractors submitting a bid shall have all necessary qualifications (federal, state, and local) for performing these construction services. The contractor must also maintain all current licenses and/or permits required for this work. These qualifications shall also apply to any subcontractor working on the site.
5. This bid will only be awarded to a Prime Contractor possessing a Class A General Engineering California State Contractor License. Contractor shall provide proof of required licensure at time of bid submittal.
6. All bidding and construction is to be performed in compliance with the Specifications for this Project and any addenda as may be issued thereto which are on file at the City's Public Works Department. The Contractor awarded the contract, will be provided five (5) sets of Specifications at the Pre-Construction Conference. Additional sets will be available at their re-production costs.
7. The City of Auburn expressly reserves the right to reject any or all bids and to waive minor irregularities or informalities and to further make award of the Project to the lowest responsive responsible bidder as it best serves the interest of the City.

8. The Project must be bid in its entirety, including any alternate bid items as may be specifically listed in the bid schedule, in order to be considered a responsive bid. Bids will be evaluated based on the bidder's qualifications, bids tendered, and available monies.
9. Pursuant to California Civil Code section 3247, the Contractor, awarded any contract by a public entity, except as provided in subdivision (d) of Section 7103 of the Public Contract Code, involving an expenditure in excess of twenty-five thousand dollars (\$25,000) for any public work shall, before entering upon the performance of the work, file a payment bond with and approved by the officer or public entity by whom the contract was awarded.
10. Payment for the Work to be performed shall be made pursuant to Section 6 of the General Provisions of the City of Auburn Standard Specification and Details. Upon the Contractor's request, the City will make payment of funds withheld from the progress payments pursuant to the requirements of Public Contracts Code Section 22300 if the Contractor deposits in escrow with the Director of Finance, or with a bank acceptable to the City, securities eligible for the investment of State funds under Government Code Section 16430 or bank or savings and loan certificates of deposit, upon the following conditions.
11. The Work to be performed will be completed within **100 working days** from the date of Notice to Proceed.
12. A pre-bid meeting will be held on **June 11<sup>th</sup>, 2012** at 10:00 a.m. near the Project site entrance located on Foxridge Circle, Auburn, CA 95603.
13. The City will not accept written or verbal questions beyond **June 14<sup>th</sup>, 2012** at 5:00 p.m.

### **GENERAL WORK DESCRIPTION**

The Work consists of furnishing all materials, equipment, tools, labor, and other work or items incidental thereto for:

The construction of a new sewer pump station to replace an older existing pump station at the Auburn Oaks Pump Station site in Auburn, CA. The Work generally consists of construction of a new concrete wet well, the addition of two 23 horsepower submersible pumps, pump controls, a telemetry control unit, a motor control center, an emergency generator, a concrete masonry block building, and associated site work.
